

As you know, they say “sometimes you have to stand up for what you believe in”. I think that we are what we stand up for. So if I believe in rights for same sex marriage, then I have to (stand up for) speak up about it. If I believe in removing gender bias in the workplace, then I have to stand up for it.

So I decided I had better write this:

I believe that love is ‘having someone to be in love with/about’. Thank you for being you.

Have a great new year.

By the way, I’m impotent.

Love Scott (‘Poo Dibble Toot’ – my international name).
